5. General Business / Motions on Notice

6. Agenda Items Without Notice / Open Floor Discussion
7. Close of Meeting

We look forward to seeing you there

Motions

1. Motion: Nomination of Liz Wright – P&C Federation Volunteer of the Year

That the Lane Cove Public School P&C Association endorses the nomination of Liz Wright, Lane Cove Fun Run Race Director for the past three years, for the NSW P&C Federation Volunteer of the Year Award, in recognition of her outstanding volunteer service, leadership and contribution to the school and broader Lane Cove community.

"Liz has served as Race Director of the Lane Cove Fun Run for the past three years, demonstrating excellent leadership, commitment and care in coordinating one of our community's largest annual events and the P&C's major fundraiser.

The Lane Cove Fun Run brings together thousands of participants, volunteers, local businesses and community organisations. It is arguably the flagship event of the Lane Cove Festival. Its success depends on an enormous amount of planning, coordination and volunteer effort, much of which takes place behind the scenes. Liz has been instrumental in delivering this event year after year, contributing countless hours of her own time while inspiring and supporting others to get involved.

Her contribution extends well beyond fundraising. Through her leadership, the Fun Run strengthens community connections, encourages healthy and active lifestyles, supports local schools and community organisations, and demonstrates the enormous value of volunteering. Her pragmatic and warm leadership style enables great volunteer experiences that keep people coming back year after year and encouraging others to join. This sort of volunteer leadership is part of what makes Lane Cove a great community.

The P&C Executive wholeheartedly supports Liz's nomination and considers her an outstanding example of the contribution volunteers make to public schools and their wider communities."

The Association authorises the P&C Executive to submit the nomination and any supporting documentation on its behalf.

2. Motion – School Mural Project

That the Lane Cove Public School P&C Association approves expenditure of up to **$21,890 (including GST)** for the design and installation of a third school mural, as part of the P&C's Colour and Vibrancy initiative.

The P&C Executive is authorised to finalise the design, engage the contractor and coordinate installation during the 2026–27 summer school holidays, subject to approval from the school Principal and any necessary Department of Education requirements.

3. Motion – Installation of Outdoor Table Tennis Table

That the Lane Cove Public School P&C Association approves expenditure of up to **$10,000** for the purchase and installation of a colourful, permanent outdoor table tennis table as part of the P&C's *Colour and Vibrancy* initiative.

The project aims to enhance the school environment, encourage active play and social interaction, and create a vibrant and engaging recreational space for students.

The P&C Executive is authorised to finalise the purchase and coordinate installation in consultation with the school Principal, subject to any necessary Department of Education approvals.
